To whom it may concern:

This letter is intended to serve as written confirmation of the results of the recent USA Triathalon elections. Votes were cast online by eligible voters.

All online ballots were cast during the election period by eligible voters using valid username and passwords. All votes were cast using Votenet Solution's SAS70 certified system, eBallot. The certification and accompanying examination was done in accordance with the standards established by the American Institute of Certified Public Accountants.

The eBallot election platform detected **zero attempts of third party interference** by rogue visitors. Votenet technical officials have verified the vote collection and data storage algorithms that are a part of the eBallot election platform and have determined that the results are accurate.
