Overview of how MECTC spots are allocated

- Order to which spots are allocated for 2011-2012:
  - 1) MECTC Conference Championships Team slot
  - 2) MECTC Omnium Team Slots
  - 3) Conference Championship Individual Slots
  - 4) Omnium Individual Slots

- No one can qualify twice. Therefore; spots where an individual would qualify twice roll down to the next individual who has not qualified yet.
- ALL spots are awarded to the teams for use and allocation
- If you want to look further into how they are awarded then you can see the MECTC Constitution at www.mectc.org or in the MECTC Qualification Document on the Collegiate National Championship Eligibility webpage.

Your team not awarded any spots or as many as you had hoped?

There is still an opportunity to qualify if a team is unable to fill all their qualified spots (awarded then by rolling them down to the next individual).

What if your team cannot fill all their spots?

Let Casey Hill know as soon as possible. Spots that cannot be filled by a team will then be awarded to the next individual within the MECTC. MECTC spots for Collegiate Nationals will be allocated every year based on participation and place of its participating members at Nationals every year. So make sure to inform Casey Hill if your team cannot fill a spot so it can be reallocated or you will in essence be hurting the MECTC Nationals slots for the coming year.
