USAT MID-ATLANTIC REGION
2011 CLUB CHAMPIONSHIP SCORING

Revised March 14, 2012

Only participants in the Olympic distance race will be scored for the championship.

By agreement of the Mid-Atlantic Council and closely in line with USAT Nationals, the race scoring is as follows:

Club Champion Purse - $5,250.00

The Division Champions (as defined below) will each receive $1,000 for use to participate in the National Club Championship. The remaining purse will be awarded as follows: $500 for the 2nd place club and $250 for the 3rd place club in each Division.

Club Divisions

Division I (Big Club): 130 or more members
Division II (Mid-size Club): 30 – 129 members
Division III (Small Club): 2 – 29 members

Overall Individual Scoring

The overall top three eligible male and female participants in each Division will earn 10 points, 9 points, and 8 points respectively. Top three overall finishers will not be eligible to earn additional age group points (i.e. no double counting). These points only apply to the Olympic distance racers in regular age groups, not other divisions.

Age Group Individual Scoring

Eligible individuals will be scored by age group and gender. The top five finishers will receive 6-2 points, with the first place finisher earning 6 points, the second place finisher 5 points, the third place finisher, 4 points etc.

Club Participation Points

Non-scoring age group participant finishers will earn ½ point for their respective clubs up to a maximum of 15 points for Division I, 10 points for Division II, and 5 points for Division III clubs. These additional points are total points, not per age group.

Distance Travel Points

Travel points will be awarded and calculated from the domicile of the club to the location of the race. Points will be awarded as follows:

> 250 miles = 10 points	100-150 miles = 4 points
200-250 miles = 8 points	50 –100 miles = 2 points
150-200 miles = 6 points	< 50 miles = 0 points

Tie Breaker

In the event of a tie between two or more clubs, the winning club will be decided by the fastest time of an eligible club individual. Male times will be used in even years, women times in odd-numbered years.

Club Team Application Instructions:

Due June 1, 2012 (no exceptions)

1. Email Cory Churches cchurches@usat-ma.org and your club's W9 form in order to receive cash prize money from the USAT-Mid Atlantic Region.
2. Email the addresses above the number of members in your club in order to have your club assigned to a division based on size.
3. Email a comprehensive roster for your club's participants in the race. Without this, we will not award participation points.
4. Email the number of *miles from your club's home base to the race venue* to obtain distance points traveled to the race using Googlemaps or a similar search.
5. Provide a contact for your club, either the President, Captain, or leader in charge of the organizing of the triathletes participating on race day in this club championship race.
6. Without this information your club will not be eligible to receive prize money.
7. Make sure your club is currently *registered as a USA Triathlon club by July 18, 2011.*
8. Specific questions about scoring can be emailed to cchurches@usat-ma.org the regional liaison.
