Welcome to Auckland - the City of Sails.

Famous for its beautiful twin harbours and the scenic Hauraki Gulf Islands, New Zealand's largest city combines the very best of city and country living. From sophisticated shopping, dining, and cultural attractions to award-winning wineries, magnificent surf beaches, and a host of outdoor adventures, there is something for everyone to enjoy in this cosmopolitan city. Auckland's vibrant Pacific heritage gives an added cultural flavor.

## **Auckland City & Hauraki Gulf Islands**

The heart of Auckland's Central Business District is based around Queen Street and the surrounding streets. You'll find chic boutiques, cafes, art galleries, and the unmistakable Sky Tower - the Southern Hemisphere's tallest. On Quay Street, ferries depart for Devonport and the Hauraki Gulf Islands.

#### **North Shore City**

The area north of the harbour bridge offers a relaxed lifestyle, harbour views and sandy beaches. Just a short ferry trip from downtown Auckland, the seaside village of Devonport has antique outlets to browse or enjoy the shopping at nearby Takapuna.

#### **Auckland North**

Head further north and you'll find historic towns, flourishing wineries, scenic walking trails and beautiful parks and beaches to explore. Warkworth Village has some delightful riverside cafes, or explore wineries and crafts of the Matakana Coast.

### **Waitakere City**

West of Auckland, scenic Waitakere City has world-class wineries, bushwalks in the rugged Waitakere Ranges and magnificent surf beaches. There is shopping around the main center of Henderson or enjoy the village atmosphere and cafes of Titirangi.

# **Manukau City**

Embracing the areas south and east of Auckland, bustling Manukau City enjoys a vibrant Polynesian flavor. Attractions here include Rainbow's End theme park and the Auckland Botanic Gardens. Heading east to Howick and Panmure, the sheltered bays are popular with boaties, and there is shopping at Botany Downs.

For those seeking more of an adventure, there are a variety of options to choose from including: Auckland Bridge Bungy, Auckland Bridge Climb, Jet Boating, and the SkyJump (taking a plunge from the tallest building in the southern hemisphere).
